The FOREVER GREEN Cookbook

RECIPES AND STORIES FROM THE
UNIVERSITY OF MINNESOTA'S FIELDS AND KITCHENS
by BETH DOOLEY

Four “The Forever Green” Cookbooks

The 54-page Forever Green cookbook has 38 recipes that bring perennial crops into the kitchen. Along with taste and nutrition, we want to be sure that what we grow is good for the land and wildlife, that it provides our farmers with a sustainable livelihood, and that good food is accessible to everyone. Such is the work of the **Forever Green Initiative**, a University of Minnesota and USDA Agricultural Research Service Program.
